Norman North Band Drum Major Application Process

Choosing a strong leadership team is vital to the success of the Norman North Band. Thanks in advance for the time and effort you will invest in this process! In order to be considered for auditioning the following conditions must first be met.

1. You must write a letter of application one page in length outlining your interest in the position for which you are applying, your qualifications for this position, and specific goals you would seek to accomplish if chosen for drum major. **The letter MUST be typed.**

You must have letters of application submitted for each position.

2. You need to have three adults, not related to you, fill out a Norman North Band recommendation form on your behalf. It is preferred that one of these be your private instructor or someone who can evaluate your musical abilities. **You must collect these and add them to your report folder containing you application letter.**

3. Check the band bulletin board/website for deadlines and times.
NO LATE MATERIALS WILL BE ACCEPTED.

4. Applicants will be chosen by an outside impartial committee made up of but not exclusive to 2 university band directors and one public school director or administrator. **NO** Norman North band staff will judge the audition but will answer questions posed by the audition committee.

5. All Drum Major applicants **must** be able to attend drum major and leadership camp, and attend all new marcher training in May. Check the band bulletin board/website for location and dates.
